

## **BIOCIDAL REGULATION COMPLIANCE**

The European Chemicals Agency (ECHA) has identified a list of products concerning biocidal use. This list is available on ECHA's website <http://echa.europa.eu/>. This list will be regularly updated when more substances are identified as BPR. ECHA urges companies to check their potential obligations resulting from this list.

Griswold Products LLC's rubber products do not contain any BPR products, per the ECHA list of 935 active substance-product type and Annex I as of July 21, 2023.
